# All About Me -Home Learning Challenges September 2021-October 2021

Bring in a photograph of you when you were younger and we can discuss how we have grown and changed.

Younger children can bring in pictures of themselves and their family to look at and discuss at nursery

Who is special to me?

Talk about who is special in our lives

Older children can draw pictures of who is special to them

Use some paint to make handprints of everyone's

hands in your family and label who they are. Older children can arrange the handprints in size order

When you get home, sit quietly and listen carefully to see what you can hear.

Older children can draw pictures of some of

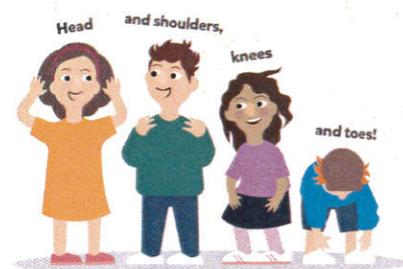

the things you could hear in your house or garden.

Talk about what colour hair, eyes you have

Can younger children find their nose eyes ears and mouth?

Sing head shoulders knees and toes at home with family

Let us know through your child's online tapestry account how you have got on with the home learning challenges
